

LIFELONG LEARNING PROGRAMME – COMENIUS MULTILATERAL PARTNERSHIP  
WIOL (WATER IN OUR LIFE)

**LIST OF CLIL LESSONS**

ONE OF THE OUTCOMES OF THE FOURTH MEETING (PALERMO) 08.12.2014-13.12.2014

Partners have chosen these topics for the CLIL lessons which will be held during the Brno meeting:

- ✓ **Italy: Water distribution**
- ✓ **Spain: Desalination of water**
- ✓ **Poland: Sewage – waste water treatment**
- ✓ **Turkey: How to safe water**

All CLIL lessons/presentations will be at the same time (in different classes). 45 minutes will be given to guest teachers to present their CLIL topics to the host classes. Theachers may use some students as their assistents. They can use the time given for presentation of their country, their school, and for discussion with host students as well. Some pictures and videos should be taken and put into the common portfolio of the project.
