

## LIFELONG LEARNING PROGRAMME – COMENIUS MULTILATERAL PARTNERSHIP

### WIOL (WATER IN OUR LIFE)

KICK OFF MEETING(DARICA/KOCAELI) 31.10.2013–04.11.2013

- ✓ All the partner schools formed their Comenius teams at school.
- ✓ The schools prepared panels at school to introduce the project.
- ✓ All the partner schools will publish news about the project through local media like newspapers to disseminate the project-make it known by the public.
- ✓ Each school will prepare the website of the project before the end of November. The websites will include:

*Profiles of the project teams*

*The links of each partner school's website*

*Some information about the project(may be taken from the application form)*

*Lifelong learning programme logo and the logo of the project*

*Presentations by the students done in each meeting*

*The agenda of the meetings*

*Dissemination materials(such as news about the project in the local media etc.)*

*Photos from each meeting*

- ✓ The students and the teachers visited Ömerli Dam and were informed about how to get drinkable water from the dam by an expert.
- ✓ The students did some search on national water sources of their countries, prepared a presentation and presented it in front of other teachers and students.
- ✓ The students worked in mixed groups(multinational) and created questions for a common questionnaire on water. The coordinator will send the final version of the questionnaire and it will be applied at least to 30 people(e.g. parents, teachers,etc..) before the end of November. The results of the questionnaires in each partner country will be discussed during the next meeting in Las Palmas.
- ✓ Each partner school will organize a meeting with a local expert in January to inform the students about water sources. The information about the meeting will be published on each website.

- ✓ The students will measure the consumption of water at home and school during February (20 houses/flats and school) and evaluate winter measurements. They will prepare presentations on the results and will present them at the meeting in Las Palmas.
- ✓ The dates for the meeting in Spain were determined to take place between 24–29 March, 2014.
- ✓ The dates for the meeting in Poland were determined to take place between 2–7 June, 2014.
